Billingham Survey 2016 - Nurse Practitioner Role

67

 (psurvey.aspx?p=281726&xls=1)

 (psurvey.aspx?p=281726&xls=2)

Number of Responses: Dear Patient,

Many thanks for agreeing to take this short survey to help the practice understand a patient's perception of the Nurse Practitioner role.

The following 3 questions were selected by our Patient Group on 7 June 2016, which ran from 08 June until 31 July 2016.

We collected 187 responses. the results are shown below:

A1. Do you know if a Nurse Practitioner can prescribe Medication ?

90% YES / 10% NO

A2. Do you know if a Nurse Practitioner can refer to secondary care ie: hospital ?

71% YES / 29% NO

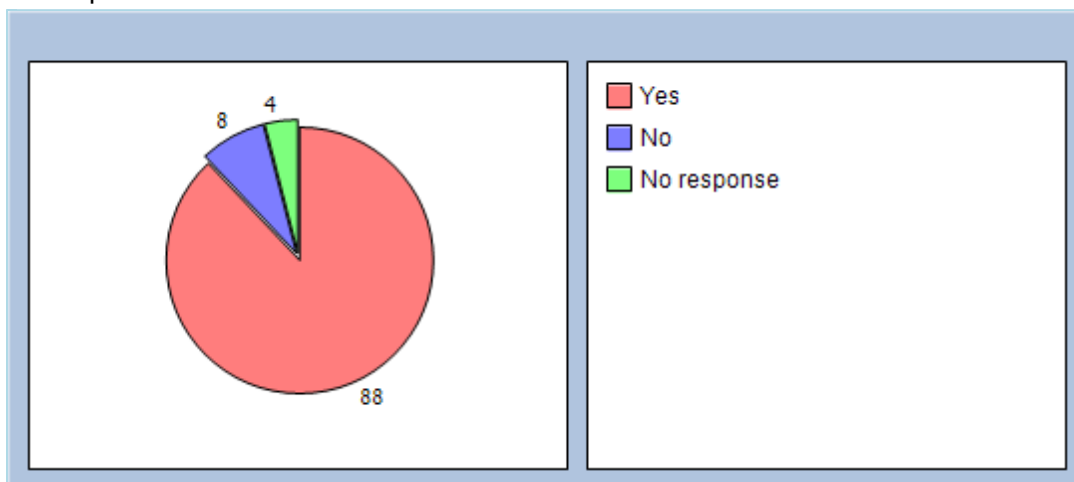

A3. Do you know that a Nurse Practitioner can diagnose and treat similar to a GP ?

87% YES / 13% NO

Please answer the following question and click 'Send Survey' when you are done

Q1. Now that you are aware of the capability of a Nurse Practitioner, would you consider seeing one instead of a GP?

Yes	88%
No	8%
No response	4%

Q2. If you selected No, please explain your answer to help us improve our services ?

Many thanks for your time in answering the questions in this survey.
